## DETAILED ACTION

### *Examiner's statement for reason for allowance*

1. Claims 1-14 have been allowed.
2. Claims 15-19 have been previously allowed.

The following is an examiner's statement for allowance:

#### **As per claim 1:**

The prior art of record teaches the claimed invention substantially, but it fails to teach or suggest singly or in combination testing an element of plurality of elements, detecting an error in the element, replacing a group of N elements of the plurality of elements wherein N is greater than one and the group of N elements includes the element and inhibiting subsequent repairing of the group of N elements. Consequently, claim 1 is allowed over the prior art.

Claims 2-8, which is/are directly or indirectly dependent/s of claim 1 are also allowable over the prior art of record.

#### **As per claim 9:**

The prior art of record teaches the claimed invention substantially, but it fails to teach or suggest singly or in combination means for locating an error in one element of the plurality of elements, means for replacing a group of N elements of the plurality of elements with replacement elements, wherein N is greater than one and the group of N elements includes the one element and means for inhibiting subsequent operation of the means for replacing the elements of the group of N elements. Consequently, claim 9 is allowed over the prior art.

Art Unit: 2133

Claims 10-14, which is/are directly or indirectly dependent/s of claim 9 are also allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
